Primary Backing: 7.0 oz/yd ² Triple Layer Composite Backing
Total Weight: 92 oz/yd ²

The color in the photograph may appear differently than actual product. Please request product samples from your sales representative.

BACKING:
URETHANE

RECYCLABLE
COMPONENTS

HEAT BLOCK
With Heat Block color options, our turf is cooler than the competitors' artificial grass systems.

SHINE BLOCK
Shine Block blade profiles reduce the reflective quality of the fiber allowing our grass to appear more like a healthy, well-trimmed, natural lawn.

* Specifications provided above are tufted measurements. Final measurements can change during backing processes. Thatch height may vary based on lot. XGrass is not responsible for typing errors on specifications listed above.
