Graphictrax®

DESCRIPTION

ENDLESS POSSIBILITIES. Choose from thousands of images, patterns, colors, or provide your own for a custom tile made to withstand the demands of both residential and commercial environments. It's never been easier to personalize your style, or promote your brand.

BENEFITS

-  **SUPERIOR STRENGTH**
3/4" thick and features a compressive strength of 1,250 psi or 25,000 lbs of rollover weight.
-  **DO IT YOURSELF**
Apply "peel and stick" logo directly to the interlocking bases. Finished logo assemblies directly into your flooring.
-  **SILENT STEP**
No click-clack.
-  **CHEMICAL RESISTANT**
Resistant to oil, gas, acid or solvents including Skydrol and Alkalis.

-  **CONSTRUCTION**
Patented base design with 1/4" built in support system that also maximizes airflow. Closed profile "peel and stick" custom graphic inlay can easily be replaced or rebranded.
-  **VARIETY**
No size limitation, from one tile to one hundred. Interlock with other 15.75" Swisstrax tiles for a completely branded or full graphic look.
